**Applications Released for the Nuclear and Renewable
Generation Fund Programs**

January 2, 2020

The Ohio Air Quality Development Authority (OAQDA) has released the application forms for the qualifying nuclear or renewable energy resources, as defined in [Section 3706.43](#). The forms, along with additional information about the programs, are available online at: <https://ohioairquality.ohio.gov/Nuclear-and-Renewable-Generation-Programs>. The application must be submitted on or before February 1, 2020.

As the program administrator, OAQDA recently worked through the processes to adopt the new rules through the Ohio Administrative Code (3706-4-01; 3706-4-02; 3706-4-03; 3706-4-04; and 3706-4-05) that became effective January 2, 2020. As prescribed by the 133rd General Assembly in Amended House Bill 6, the programs provide credits issued for each megawatt-hour of electricity generated by qualifying nuclear or renewable energy resources.
